How the QuickPeek tool works:

1. Create a QuickPeek link on your club's website.

Golf Course

Dining

Tennis

Pool

2. Member clicks link to take survey at anytime, all year long.

3. Review your performance results anytime, 24/7/365.

Please evaluate the golf experience on the following.

Comments on how we can improve:

Text Response

Enjoyed the course. My guests did too.

Tee boxes had too many divots and bare spots.

Front bunker on hole 8 needs more sand.
The out building on 7 was out of supplies.

Update the carts.

Beverage cart needs to be more visible on weekends!
